THE

Findings and todos

Activities and products of the partnership

- No need for another platform
 - Partnership is the best platform for cooperation
 - Basic information could be provided in the internet (Every solution should be easy / low scale and easy to maintain)
- A **tool-kit/manual** to push sustainable mobility in tourism based on existing good practices from the partner countries
- **Collection of examples** of existing national strategies and platforms including or focusing on sustainable mobility in tourism in order to support countries where the topic is not represented in the tourism and mobility strategies
- Elaboration of a **contribution to a pan-European Strategy on Sustainable Mobility** that will be developed in the framework of THE PEP

Todos

- AT – Andreas Friedwagner: share contacts of representatives of tourism and transport ministries with partners
- CH – Lea Pirovino: Check whether Switzerland could host the next meeting of THE PEP Partnership on Sustainable Tourism Mobility in spring 2022
- ES – Adrian Muelas: Check whether Switzerland could host the next meeting of THE PEP Partnership on Sustainable Tourism Mobility in spring 2022 in case Switzerland would not be able to do so
- AT – Robert Thaler: Check whether THE PEP could offer the partnership a subsection of their website or any other online representation to provide basic information about the partnership in the web
- AT – Andreas Friedwagner: Come up with a proposal for a process to jointly elaborate a tool-kit/manual on sustainable mobility in tourism until the next meeting of the partnership
- All: continue sharing information about interesting developments in the area of sustainable mobility in tourism with the members of the partnership
- All: promote the new THE PEP Partnership on Sustainable Mobility among other countries of the pan-European region

Agenda

Agenda of 1st Partnership Meeting

Day 1: September 9th

13:00 Welcome, Robert Thaler & Monika Klinger

13:30 Round table: Current situation regarding sustainable mobility in tourism in your country

Participants giving a short presentation (10-15min) about their institutional background and the role/status of sustainable mobility in tourism, current initiatives to support sustainable mobility in tourism + expectations for the partnership

15:00 Discussing the scope of the partnership

- Andreas Friedwagner: Presentation of the organisational framework conditions within THE PEP
- Andreas Friedwagner: Presentation and discussion of the objectives of the partnership
- All: Possible activities of the partnership + Inputs from Alexandra Dörfler & Katharina Mayer-Ertl: examples of activities in Austria

18:00 End of day 1

19:00 Joint dinner

Agenda of 1st Partnership Meeting

Day 2: September 10th

09:30 Wrap up day 1

10:00 Setting the agenda of the partnership:

- Defining activities and products of the partnership
- Contributions to specific activities of the partnership

12:00 Next steps

12:30 Joint lunch – end of day 2

Draft of 22 January 2021

Preparatory meeting to the Fifth High-level Meeting on Transport, Health and Environment
25 January 2021

Vienna Declaration: Transforming to clean, safe, healthy and inclusive mobility and transport for happiness and prosperity for all

We, the Ministers and heads of delegations of member States of the Economic Commission for Europe (ECE) and the World Health Organization (WHO) in the WHO European Region, convening the Fifth High-level Meeting on Transport, Health and Environment in Vienna from ... to ... 2021,

safe, healthy and inclusive mobility and transport,

Committing to leverage the 2014 Paris Declaration – City in Motion, People First! and to work together to implement the Transport, Health and Environment Pan-European Programme (THE PEP) in order to achieve sustainable, affordable and inclusive, safe and healthy, resilient, green and clean transport and mobility,

Committing also to strengthen THE PEP as a unique intergovernmental, cross-sectoral, tripartite pan-European policy platform for policymakers and stakeholders of the countries of the pan-European region for accelerating the transformation towards clean, safe and healthy mobility and net-zero emission transport,

Building upon the momentum achieved under THE PEP, while also recognizing the urgent need for intensified action to achieve the objectives of the 2030 Agenda for Sustainable Development, the New Urban Agenda and the Paris Agreement,

Appreciating the efforts made by member States and other stakeholders towards achieving THE PEP Priority Goals, particularly through THE PEP Partnerships, the holding

THE PEP: fostering the transformation to achieve our vision

23. *Decide to launch new THE PEP partnerships as platforms for cooperation between member States and other stakeholders for implementation of this Declaration;*

24. *Endorse the practical results and recommendations achieved in the Partnership on Eco-driving as set out in annex IV including THE PEP Guidelines for Eco-driving, the studies on green and healthy jobs in transport, the TRANSDANUBE Partnership for sustainable mobility in the Danube region, as well as the conclusions of the Handbook on Sustainable Urban Mobility and Spatial Planning as set out in annex V and decide to further develop these partnerships by:*

(c) Establishing THE PEP Partnership on Sustainable Tourism Mobility, with a view to sharing good practices and developing respective guidelines and tools;

(c) *Establishing THE PEP Partnership on Sustainable Tourism Mobility, with a view to sharing good practices and developing respective guidelines and tools;*

(d) *Intensifying the work of the relevant Partnership to promote coordination and the integration of sustainable transport, in particular public transport, shared and active mobility, spatial planning, health and the environment;*

Webinar Sustainable Tourism Mobility

WEBINAR ORGANIZED IN THE COURSE OF THE 5TH HIGH-LEVEL MEETING OF THE PEP

Wednesday, May 12, 2021 from 5:00pm-6:15pm

Benefits of sustainable mobility as an integral part of sustainable tourism development

During the 5th High Level Conference of THE PEP a new THE PEP Partnership on Sustainable Tourism Mobility will be launched. The good practices presented in this webinar will raise awareness about the benefits of making sustainable mobility an integral part of sustainable tourism and integrating sustainable mobility services in tourist products. The webinar will bring together stakeholders from national authorities with experts from OECD, ECF, transport and tourism operators.

Target group of the side event: National authorities responsible for sustainable tourism development and sustainable mobility in the countries of the pan-European region, interested experts from the transport and the tourism sector

Participants are invited to engage in the discussion with the experts on the panel by using the live chat function!

WHAT CAN YOU EXPECT FROM THE WEBINAR?

MODERATOR: Andreas Friedwagner, Verracon

Welcome note: Robert Thaler, Austrian Federal Ministry of Climate Action

Introduction: Sustainable Tourism and Mobility as a Catalyst for Regional Development: Peter Haxton, OECD

PRESENTATION OF GOOD PRACTICE EXAMPLES:

Cycle tourism on the bigger scale - The Eurovelo network: Ed Lancaster / Jill Warren, European Cyclists' Federation

European night train network as the backbone for the sustainable travel system in Europe: Karin Fest, Austrian Federal Railways

Sustainable mobility in tourism at the Danube: Petra Riffert, Secretary general of Danube Pearls network and project partner of Transdanube Travel Stories

Panel discussion on the benefits of multimodal mobility as an integral part of sustainable tourism development with:

- Alexandra Dörfler, Austrian Federal Ministry of Climate Action
- Polona Demšar Mitrović, Slovenian Ministry of Infrastructure
- Richard Kämpf, Swiss State Secretariat for Economic Affairs
- Ministerial representative from Sweden and the Netherlands (tbc)

Conclusions for the launch of the THE PEP Partnership on Sustainable Tourism Mobility: Andreas Friedwagner, Verracon

- Main objectives, first activities and next steps
- Stakeholders/countries announcing their interest in joining the partnership

This side-event will be held in English with simultaneous interpretation in German, French and Russian.

To participate in the webinar, registration via the [online conference platform](#) is required.

Please note that your attendance needs to be confirmed by the conference organizers.

Using the following browsers is highly recommended: Google Chrome, Mozilla Firefox or iOS Safari

Republic of Austria
Agriculture, Regions and
Tourism

Members of Partnership

- The countries of the pan-European region are invited to **nominate one or more representatives to take part in the partnership and its meetings (twice a year)**. Members could be the relevant ministries themselves as well as innovative destinations, important tourism and transport stakeholders like tourism operators, transport companies and mobility providers.
- The members of the partnership are participating in the partnership at their **own costs** (e.g. costs for travel and accommodation to participate in the meetings). There is no possibility for funding or co-financing available.

What kind of contribution is expected from the members of the partnership?

- There is no obligation for a contribution besides the **active participation in the meetings and the willingness to exchange information** between the partners.
- Any other contribution to the partnership is very welcome (e.g. hosting a meeting, external experts working on specific issues).

Objectives of the partnership

Objectives of the partnership

- Raise awareness for sustainable multimodal mobility to achieve a sustainable tourism development on national and international level
- Strengthen the cooperation between relevant stakeholders of different levels and sectors committed to provide sustainable mobility to tourists and inhabitants
- Increase the institutional capacity of the relevant organisations to develop, implement and operate sustainable mobility services
- Contribute to the development of climate-friendly, convenient as well as attractive mobility services and offers for travelers and inhabitants

Possible activities

Possible activities

- Providing a cooperation **platform for European cooperation** amongst Member States and their relevant ministries, destinations as well as important tourism and transport actors like tourism operators, transport companies and mobility providers
- **Exchange of experience and good practice examples** from the countries of the pan-European region incl. trainings, organized study visits and networking workshops
- Development of **policy guidelines** for green and healthy sustainable mobility in tourism
- Facilitate the development of **national strategies and platforms** for sustainable mobility in tourism
- Elaboration of **tool-kits /manuals for member states** on how to implement sustainable tourism mobility solutions
- Developing and implementing **joint European Projects** following of the examples of Alpsmobility, Alpine Pearls and Trandanube Pearls, Transdanube travel stories
